eLearning and Make-Up Days

Calendar is subject to change when student make-up days are needed to meet state requirements. This is accomplished through the use of up to five eLearning Days, two Flex Days, and then adding additional days at the end of the school year, in that sequence, if necessary. Flex Days are dates on the calendar that are slated to be No School. However, if the Flex Day is needed to make up a cancellation day, school will be in session for in-person learning on the Flex Day.
